I Experience as I Experiment – I Experiment as I Experience.

Experience and experimentality in artistic work and research

Opening: 26.11.2019 17:00-19:00

Exhibition open: 27.11.–11.12.2019

Venue: Exhibition Laboratory, Merimiehenkatu 36, 00150 Helsinki

The exhibition brings together 17 artworks and 17 texts by artists and researchers working with installation, sculpture, mixed reality installation, environmental art, performance, photography, moving image, and media art. The authors discuss how (or why) their artworks relate to their artistic research practice, and what roles experience and experimentality play in their artistic research. These issues are addressed by investigating both momentary experiences (*elämykset, Erlebnisse*) and experience as something accumulated over time (*kokemus, Erfahrung*) in the context of the everyday work of artists involved in art making, artistic research and teaching at the university level.

The publication *I Experience as I Experiment – I Experiment as I Experience* (2019) contains 17 texts written by the artist researchers. It is available at the exhibition venue.

In the end of the exhibition, on Tuesday 10.12.2019 starting 9:00 the artist and researchers give a short paper at the KuvA Research Days and introduce their artwork samples in the Exhibition Laboratory gallery.
